July 23, 2008

Dear Mr. Munson,

This letter is to transmit the attached page 41a which should replace the existing 41a of the Palladon Iron Corp. revised existing NOI v. July 15, 2008. The new page has added the clause "which also accounts for a credit for the previous demolition". This is being submitted by JBR Environmental as environmental consultants for Palladon Iron.

Sincerely,

William W. Fuller PE
Mining/Environmental Engineer
